Definitions: + = and over; (C) = champion; m = month(s); (R) = reserve champion; yr(s) = year(s)

\* The number of points earned by a Grand Championship win depends on the number of goats of the same gender that were entered in the show (junior, yearling, and senior animals of the same gender combined – all wethers, or all does, or all bucks). This is because the larger the show, the more competition the winner had to out compete. The Grand Champion point system is displayed below.

Number of Entries of the Same Gender	Grand Champion Points
If 20 or more entries of the same gender ( $\geq 20$ )	6.0
If between 11 and 19 entries of the same gender (11 to 19)	4.5
If between 6 and 10 entries of the same gender (6 to 10)	3.0
If 5 or less entries of the same gender ( $\leq 5$ )	1.5

The number of points earned by a Regional Champion is as follows:

Championship	Points
Regional Champion	6.0
Reserve Regional Champion	4.0

\*\* Supreme Champion already earned. Points accumulating for a Double Supreme Champion title (available to wethers only).

**Good luck and happy showing!**
